ABOUT SERVE HOME

Serve Home is a Christ-centered 501(c)(3) nonprofit serving southeastern Massachusetts. Our goal is to build up the local community, local families, and local church by creating mission opportunities for people of all ages and seasons of life. We believe beautiful, life-changing things happen when people come together to help each other. What started in 2018 with 50 volunteers serving on a few projects more than doubled in 2019 in size, scope, and impact. Over the last 4 summers, hundreds of Serve Home volunteers have restored hope through more than 15 different community service projects. From repairing homes for struggling neighbors, to planting community gardens, to restoring neighborhoods, we organize, lead, and commit to projects with passion, all while empowering people to make an impact right where they are.

For insight into some of our past projects, please visit serve-home.org.

WILL YOU SPONSOR SUMMER 2022?

This summer, Serve Home is taking place August 7-12, when we expect to have 150-250 volunteers of all ages join us for the week to serve on various community service projects spread out among the areas of Brockton, Holbrook, Raynham and Taunton. **Serve Home is asking for key partners like you to help us raise \$50,000 by June 15th** to help fund these projects and engage more volunteers from the community in a beautiful week of giving back. This funding will determine how many community projects we are able to take on to make a difference this summer. **We invite you to join us in providing healthy, accessible community gardens and safe, restored homes and yards for our neighbors in need. Will you partner with us?** Please read on for details about our sponsorship program and to find what's right for your company.

NEIGHBORS OF SERVE HOME

At the heart of Serve Home is partnership with local people, businesses, and organizations, wanting to see everyone thriving and uniting together for the betterment of our shared community. Our Neighbors of Serve Home program is where we hope to create space for mutual encouragement and support across organizations and businesses. As a nonprofit organization, we rely on financial sponsorship to function, to continue our mission, and to grow our impact in the lives of people around us. By partnering with us and sponsoring our mission as a Neighbor, you have an opportunity to directly give back to the community, while also allowing us to be your neighbor and partner, supporting you and your business in various ways.

Your Impact In Your Community

Partnering with us as a Neighbor of Serve Home is more than giving to a local nonprofit. Your partnership is true neighborly love, making a transformative impact in your community that includes:

- helping plant accessible community gardens in Brockton to provide healthy food for individuals and families
- providing safe, repaired homes and yards for low-income neighbors
- giving students opportunities to learn and advance in STEAM skills while working alongside skilled laborers and artists alike
- facilitating space for parents with young children to volunteer together, instilling the value of giving back in the next generation at a young age
- supporting intergenerational relationships and activities in the community, where people young and old come together for a shared mission
- improving the lives of vulnerable people in need in our own neighborhoods
- bringing hope and lasting change to individuals and families with the power to impact generations to come
